**"And, if you can, Collect the words  
which have no before or after  
For they, when spring comes,  
will be the grain sown from the tears of Tishrei"**  
Itamar Perat

We chose to continue - anew; with precision and focus.  
To grow into a new but not unknown space.  
These days deepen the experience of local; tighten the threads that  
connect us. Making us partners in smell, taste, sound and sight.  
From the places our faraway dreams are woven, come the expression  
of our roots, our place.
